

KOMET SERVICE

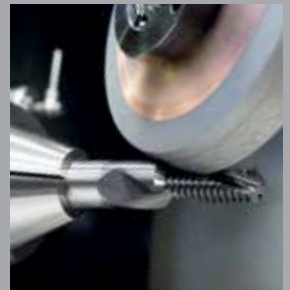

The new KOMET SERVICE®

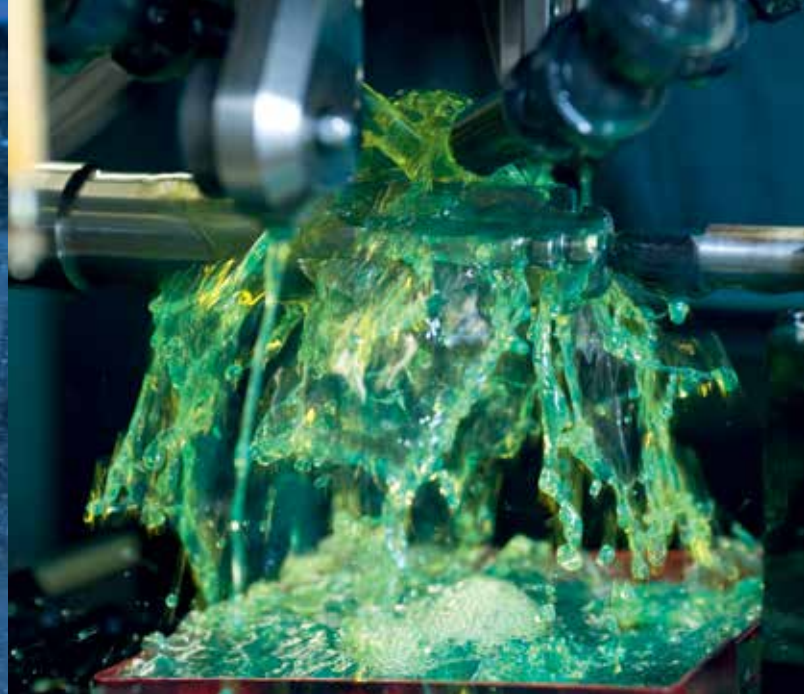

With the new KOMET SERVICE® brand, the KOMET Group is putting another PLUS from our TOOLS PLUS IDEAS philosophy into practice.

KOMET SERVICE® offers you fast tool refurbishing, original re-coating and access to KOMET brand standard and simple special solid carbide tools.

Our KOMET SERVICE® partners are your competent, local contact for professional tool processing. They offer you everything from a single source, fast, easy, and complete:

- Professional re-grinding services
- Original re-coating
- Local service, pickup and delivery
- Re-grinding of all brands of tools
- Standard and simple special solid carbide tools
- Ease of use: just drop your tools in our box and they do the rest
- Transparent quotes and clear costs
- Detailed measuring log

KOMET SERVICE® Partner – your opportunity!

Our objective is to establish a nation-wide network of professional KOMET SERVICE® partners.

As an independent entrepreneur, you can now secure all the advantages of becoming a KOMET SERVICE® partner:

- Incremental sales
- Service portfolio expansion
- KOMET tool processing
- Access to KOMET product line (standard and special tools)
- Brand and territory protection
- Know-how transfer and training
- Connected through technology
- Marketing support
- Co-op purchasing / expense reduction
- Leasing / financing
- And so much more...
